We recommend making travel plans early...especially if you are flying into Las Vegas, as national conferences and sporting events sometimes make it difficult to obtain reasonable flights and/or rental car reservations. There are also flights from Salt Lake City to either Cedar City or St. George and flights from L.A. to St. George. Motels are available in both Cedar City and St. George. Cedar City is about a 20- minute drive from campus while St. George is approximately 50 minutes away. Some families have elected to stay nearer to Zion National Park in the picturesque town of Springdale, which is about one hour from campus.

Cedar City Hotels

There are several hotels in Cedar City that will give us their corporate rate. Please let us know if you'd like our current list of hotel options & discounts.

We look forward to seeing all of our families!
